## Taking An Exam

1. Login to Exam System. Choose the Available Exam you wish to take and Click "Start". You will then come to an Exam Description:

2. Click "Next" to begin your Exam

3. The following screen is the Exam. The Question numbers are listed at the top of the screen.

**A. Exam Description:** Click on this link if you are wanting to review the description of the current test you are taking.

**B. Remove Flag:** Click this link to remove the Flag to Review at the end of the Exam.

**C. Exam Questions:** Click to Select the Answer you would like to choose for that question.

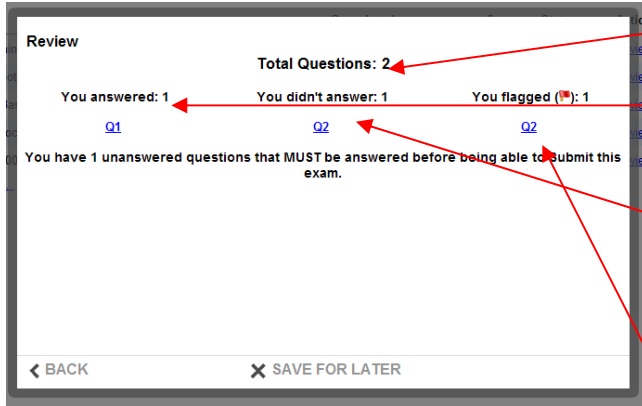

**D. Flag for Review:** Click this link if you would like to come back to this question at the end of the Exam.

**E. Back:** Click "Back" to review or edit a question on a previous screen.

**F. Save For Later:** Click this link if you need to stop the exam for any reason and continue with it at a later time.

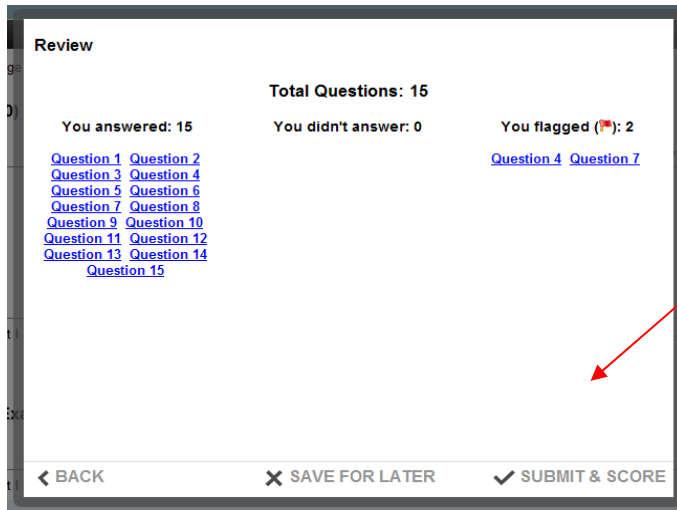

**G. Next:** Click "Next" to continue with the next screen of the Exam.

4. At the end of the Exam you will come to the following Review Screen. This will allow you to review and or correct any questions you wish. (You must answer all questions before you can Submit the Exam.)

- A. Total Questions:** This lists how many questions were in the exam.
- B. You answered:** This lists Questions that you have answered. (This is NOT a listing of right or wrong answers, just that it was answered.)
- C. You didn't answer:** This is a list of questions you did not select an answer. These questions must be answered before you can Submit your exam.
- D. You flagged:** This is a list of questions that you flagged, so you could come back to them. (If this is not located on the far right side of the box, scroll down.)

If you have answered all questions and have flagged a few, as in the print screen below, the system will allow you to submit your exam without going back. Please make sure you have reviewed all questions you wish to before clicking the "Submit & Score" link.

To go back to any questions simple click on the link for that question. When the Questions listed in the "You didn't Answer" section have been answered you will see another review screen similar to the one above:

At this point if you feel you are ready you may click the "Submit & Score" link at the bottom of the Screen.

5. The following screen will come up showing that you have finished the Exam and giving your Score.

Close: Click if you are ready to close the window.

**You have now completed the Exam and can Logout of the Exam System. Your score will be reported to your State Association.**

**Your questions will not be able to be reviewed until after the close of the exam. At that point you can login and review the answers to your questions if you wish.**
