

Volleyball

I saw you touch it at the top, I know you touch it
when you stop, you often hit it in with a wham,
you can not fool me Ump I am.

Will you let them set a serve? Can you call what
they deserve? Does your whistle blow all night,
or do the parents sit in fright?

Is the setter front or back? Or, are your eyes
under a sack? Was that first hit mul-ti-ple, or did
they catch it on the wall?

I always help my partner out, and of my calls there
is no doubt. I do not put us in a jam, you can not
fool me Ump I am.
